Indore is the largest city in the state of Madhya Pradesh, this city is nearly the heart of the nation. Indore is known for its architectural splendor. The tales of the glorious past are narrated by these splendid historical monuments and cast a magical spell on the visitors. Apart from being a historical city, Indore is also the commercial capital of the state.

Mandavgarh is situated at a distance of about 90 km from the Indore. Popularly known as Mandu, the town is located amidst the Vindhya Ranges. Mandavgarh is famous for its amazing Fort. The fort is 82 km in perimeter and is considered to be the biggest in India.

Omkareshwar is a holy town situated at a distance of 77 km from Indore. It derives its name from the sacred Hindu symbol of Om. It is basically an island, in the shape of Om, on the confluence of the rivers Narmada and Kaveri. Omkareshwar is considered to be one of the holiest Hindu sites in the nation due to the presence of the Jyotirlingam, one of the twelve in India.

Ujjain is situated at a distance of 56 km from Indore and located on the banks of River Shipra. The city of Ujjain is one of the ancient cities of the country. It is considered to be one of the seven sacred places to attain Moksha. The city attracts a great deal of pilgrims, as it is the abode of one of the Jyotirlingas. Ujjain city of India is and exists from the early days of the Indian civilization.

Ujjain is also one of the venues of the Kumbh Mela, the greatest fair that takes place in the country. This year is the year of Kumbh "Simhastha"

Maheshwar : This temple town on the banks of the river Narmada finds mention in the epics of Ramayana and Mahabharata. Revived to its ancient position of importance by the Holkar queen Rani Ahilyabai of Indore. Maheshwar's temples and mighty fort-complex stand in quiet beauty, mirrored in the river below. Today, Maheshwar is also known for its distinctive handwoven sarees called Maheshwari exquisitely woven 'Maheshwari' sarees.

Invitation

It gives us immense pleasure in inviting you for the 4th Mid Year Indo-US Parekh Foundation Foot and Ankle Course with a first time ever Hands on CADAVER workshop. Organized under aegis of Indore Orthopedic Association and Dept. of Orthopedic SAMC & PGI, Indore.

The aim of this meeting is to provide knowledge and facilitate development of surgical and technical skills necessary to become proficient in the evaluation and management of foot and ankle disorders. The course includes scientific presentations by international and national experts who have vast experience in diagnosing and treating ailments of foot and ankle.

Video presentations, panel discussions and case discussions will provide an opportunity for surgeons to directly interact with the faculty and gain knowledge in foot and ankle surgery.

We hope at the end of this course we shall be able to shape and modify our surgical decisions and skills that directly influence the outcomes in patients undergoing treatment for foot and ankle disorders.

We would like to add that Indore is a wonderful destination that family can enjoy, and much to offer in terms of shopping and food. We are looking forward to welcome you at Indore.
