STATEMENT OF PURPOSE

I am practising as a Consultant in Orthopaedics and Podiatry in Mumbai since 2013 after working in UK for the last 12 years.

I am the only knee, foot and ankle specialist in the country and have more than 15 years of clinical and research experience in orthopaedics in both UK and India. I did the largest number of Anterior cruciate ligament reconstruction in NHS (UK) last year. I have had the privilege to be trained by the most prominent ranked names in this field like Prof Michael Freeman, Mr. Andy Williams, Dr Andreas Weiler, Mr RW Parkinson and Mr James Calder in UK and Prof Alonso, Dr Stannard and Dr David Volgas in US that helped me built strong foundations in my profession.
